

What Each Adoptive Family Should Bring To Haiti To Take Their Child Home:

If your child is an infant up to 3 years of age, we suggest you bring the following:

- Diaper bag
- Diaper rash cream
- Gravol or Dramamine for children
- Shoes
- Soft toys for the trip home
- Bib
- Baby cereal and Gerber baby food for the trip home
- One bottle of Pedialyte
- Disposable diapers
- Infant Tylenol drops
- Clothes (2 or 3 changes)
- Blanket for the airplane
- Changing pad
- Baby bottles or no-spill sippy cups (for older children)
- Barrettes or colored elastics for little girl's hair
- Wet wipes
- Decongestant drops
- Socks
- Jacket or sweater if it's cold
- Small baggy for soiled clothing
- Formula for your child
- Scabies cream to be used the night before you leave Haiti

If your child is 3 years of age and older, we suggest you bring the following:

- Clothes (2 or 3 changes)
- Underwear or Pull-ups diapers
- Some little bottles of juice
- Socks
- Wet Wipes
- Snacks for the airplane
- Shoes
- No-Spill cup for use on plane and in restaurants
- Barrettes or colored elastics for little girl's hair
- Scabies cream to be used the night before you leave Haiti
