Form 990, Part VI, Section B, Line 15:

When determining compensation and benefits for the organization's corporate officers, the Finance Committee uses publicly available comparability data in helping them determine an appropriate salary level. This is done on an annual basis. Data used includes compensation paid to individuals serving in similar positions, in similar industries, within the same geographical region. An industry average is determined and a compensation figure below this amount is selected. Compensation decisions are voted on by all independent members of the board. Decisions and deliberation are contemporaneously documented in the minutes of the meetings of the board of directors.
