### INDEPENDENT AUDITORS' REPORT

Board of Directors God's Littlest Angels and Affiliate Colorado Springs, Colorado

We have audited the accompanying consolidated financial statements of God's Littlest Angels and Affiliate, which comprise the consolidated statements of financial position as of December 31, 2013 and 2012, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors God's Littlest Angels and Affiliate Colorado Springs, Colorado

#### **Notes to Consolidated Financial Statements**

December 31, 2013 and 2012

### 1. NATURE OF ORGANIZATION:

God's Littlest Angels (GLA-US) and Affiliate is dedicated to helping the children and families of Haiti by providing intensive nursery care for premature, malnourished, and abandoned children. GLA-US assists in seeking outside help for children needing surgical or medical treatment not available in Haiti. GLA-US also assists in placing abandoned children with adoptive families. GLA-US's purpose is to help the children of Haiti in any way and to spread the word of God to each person GLA serves.

These consolidated financial statements also include the material assets, liabilities, net assets, revenue, and expenses of God's Littlest Angels Haiti (GLA-H) which is an organization fully controlled by GLA-US and is a legally recognized charity in Haiti. Throughout the consolidated financial statements these two entities are collectively referred to as GLA. All intercompany balances and transactions have been eliminated.

GLA is exempt from federal income taxes under section 501(c)(3) of the U.S. Internal Revenue Code (the Code) and comparable state law, and contributions to it are tax deductible within the limitations prescribed by the Code. GLA is not a private foundation under Section 509(a) of the Code.

# 2. SIGNIFICANT ACCOUNTING POLICIES:

GLA maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the consolidated financial statements, and the reported revenues and expenses during the reporting period. Actual results could differ from the estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

### CASH AND CASH EQUIVALENTS

Cash and cash equivalents include checking accounts and cash held. These accounts, at times, may exceed federally insured limits. GLA has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk.

#### **INVESTMENTS**

Investments consist of equity securities, which are carried at fair market value. Unrealized gains and losses in fair value are recognized in the year in which they occur. Donated investments are reported at fair value at the date of donation and thereafter carried in accordance with the above provisions.

#### **Notes to Consolidated Financial Statements**

December 31, 2013 and 2012

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### ACCOUNTS RECEIVABLE

Accounts receivable consist of amounts due from adoptive parents for adoption income. An allowance for doubtful accounts has not been recorded as all amounts are believed to be collectible. Accounts are due in accordance with the terms of each individual contract and are considered delinquent if not received by their due date. GLA does not accrue interest on past due receivables. Accounts are written off if the adoptive parents withdraw from the adoption process or when all methods to collect have been exhausted.

#### **INVENTORY**

Inventory consists of clothing, supplies, and other items to be used at the orphanage in Haiti, as well as some souvenirs held for sale. Inventory is stated at the lower of cost or market, using the first-in-first-out method. No allowance for obsolescence has been recorded as of December 31, 2013 and 2012, as amounts are written-off when they are determined to have no value.

#### PROPERTY AND EQUIPMENT

Property and equipment are stated at cost, or if donated, at the estimated fair market value at the date of donation. Property donated with restrictions regarding its use and contributions of cash to acquire property are reported as restricted support. Absent any donor stipulations, these restrictions expire when the asset is acquired or placed in service, and a reclassification is made from temporarily restricted net assets to unrestricted net assets at that time. Purchases of long-lived assets in excess of \$2,000 with a useful life in excess of one year are capitalized. Depreciation is recorded using the straight-line method over estimated useful lives of three to ten years.

### **CLASSES OF NET ASSETS**

The net assets of GLA have been reported in the following two classes:

*Unrestricted net assets* are those currently available for use in GLA's operations and those resources invested in property and equipment.

Temporarily restricted net assets are comprised of donor-restricted contributions for the support of GLA projects.

### SUPPORT AND REVENUE

Contributions are recorded when made, which may be when cash and other assets are received or unconditionally promised. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

#### **Notes to Consolidated Financial Statements**

December 31, 2013 and 2012

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### SUPPORT AND REVENUE, continued

Donated materials, equipment, and services are reflected as gift-in-kind contributions in the accompanying consolidated statements of activities at their estimated fair market value on the date of donation.

Adoption income consists of fees paid by adoptive parents to cover costs incurred by GLA through the adoption process, and is recognized when it is earned as the services have been provided. Room and board income consists of fees paid by volunteers and adoptive parents to stay at the orphanage in Haiti, and is recognized when the services have been provided. Deferred income consists of adoption fees received prior to services being provided for the adoptive parents.

#### ALLOCATION OF EXPENSES

The costs of providing the various program services and supporting activities of GLA have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

#### **ADVERTISING COSTS**

GLA uses advertising to promote its programs and ministries, as well as to advertise fundraising events. Advertising costs are expensed as incurred. Advertising expense totaled \$2,499 and \$1,647 for the years ended December 31, 2013 and 2012, respectively.

### FOREIGN OPERATIONS

In connection with its ministry, GLA-H maintains an orphanage in Haiti. The account balances relating to foreign operations are reflected in the consolidated financial statements in United States dollars. See breakdown for Haiti operations in the supplementary information. GLA Canada is not included in this report because it does not meet the criteria for consolidation, as they have an independent board and are not controlled by GLA-US.

### **UNCERTAIN TAX POSITIONS**

The financial statement effects of a tax position taken or expected to be taken are recognized in the consolidated financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the consolidated statements of activities. As of December 31, 2013, GLA had no uncertain tax positions that qualify for recognition or disclosure in the consolidated financial statements.

GLA's federal Return of Organization Exempt from Income Tax Form 990 for the years ended December 31, 2012, 2011, and 2010 are subject to examination by the IRS, generally for three years after they were filed.

#### **Notes to Consolidated Financial Statements**

December 31, 2013 and 2012

# 3. FAIR VALUE MEASUREMENTS:

GLA uses appropriate valuation techniques to determine fair value based on inputs available. When available, GLA measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. All investments held by GLA as of December 31, 2013 and 2012 are measured as Level 1 inputs.

Fair values of assets measured on a recurring basis as of December 31, 2013 and 2012, are:

	December 31,					
		2013		2012		
Investments:						
Common stocks:

#### **Notes to Consolidated Financial Statements**

December 31, 2013 and 2012

### 4. PROPERTY AND EQUIPMENT–NET, continued:

Management has reviewed the assets of GLA-H and has determined that they are under the control and ownership of the organization. While such items are recognized as assets of the organization, it should be noted that the political situation in Haiti is subject to rapid change. Therefore, the reader should be aware that while the organization believes the assets are properly stated at the date of this report, subsequent changes could occur that would adversely affect the realizable value of the assets of GLA-H. Management determined that there is no impairment of property and equipment as of December 31, 2013 and 2012. In addition, it should be understood that the carrying value of the assets in Haiti may not be representative of the amount that would be realized should the assets be sold.

### 5. TEMPORARILY RESTRICTED NET ASSETS:

Temporarily restricted net assets consist of:

	December 31,			
		2013		2012
Building project	\$	148,546	\$	88,226
Supported schools		39,907		35,253

	\$	211,880	\$	242,326

#### 6. OPERATING LEASES:

GLA has three leases for the property it uses in Haiti. Total lease expense was \$75,985 and \$49,000 for the years ended December 31, 2013 and 2012, respectively. These leases ended during the year ended December 31, 2013, and were renewed for an additional year. There are no future minimum payments to disclose as the full amount was prepaid.

GLA also has a lease for property it uses in the United States. Total lease expense was \$27,345 and \$23,400 for the years ended December 31, 2013 and 2012, respectively. Future minimum payments are:

	\$ 38,700
2015	 13,050
2014	\$ 25,650
For the Year Ending December 31,

# 7. RELATED PARTY TRANSACTIONS:

As of December 31, 2013 and 2012, the President owed GLA-US \$0 and \$2,571, respectively, which is included in accounts receivable on the consolidated statements of financial position.

One of the board members on GLA-US's board is also on the board of GLA Canada. GLA Canada provided contributions of \$667,485 and \$497,579 (in U.S. dollars), which constitutes 47% and 33% of total contributions, to GLA during the years ended December 31, 2013 and 2012, respectively.

# 8. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through the report date, which represents the date the consolidated financial statements were available to be issued. Subsequent events after that date have not been evaluated.
